Directions to Ford Elementary School (Plus DBD Sessions):

Any of several routes may be most convenient for you. I recommend using Google maps to get directions to 210 Woodlake Dr., Georgetown, TX 78633.

From Marble Falls or points west of Georgetown: Take TX-29 to US-183 or Ronald Reagan Blvd, then follow below directions.

From northwest Austin, Cedar Park area: Take US-183 or Parmer Road/Ronald Reagan north to FM-3405, Lake Road. Head east 7-8 miles to FM-2338/Williams Drive. Turn right and go 2.7 mi to Woodlake Drive. See below.

From Georgetown and points north and south via I-35: Take FM-2338/Williams Drive (I-35 exit 262) northwest 5.3 mi to Woodlake Drive. See below.

From FM-2338/Williams Drive & Woodlake Drive: Turn onto Woodlake Drive, go 2 blocks (about 0.1 mile), turn right onto unnamed road, take 2nd left (Teacher & Visitor Parking). There will be signs indicating the entrance to the dance in the cafeteria.

Directions to The Retreat Amenities Center (A-2 Session):

The Retreat Amenities Center is located in that part of Sun City just off of TX-195 in northwest Georgetown. Cattleman Drive is the main road in that area, running from TX-195 to Sun City Blvd. The simplest way to get there from Georgetown & I-35 is to take Exit 266 (TX-195/Killeen). Continue on TX-195 for about 7.3 miles to a left turn onto Sun City Blvd (traffic light). Continue for 0.2 miles to the first left turn, Cattleman Drive. Continue 0.6 miles to The Retreat, 1220 Cattleman Drive. Enter at the main entrance. The dance is in the Longhorn Room, which is one-half of the ballroom.

Motels/Lodging:

I recommend using hotels.com, priceline.com or alltherooms.com to get the best deal on a convenient place to stay. There are 5 or 6 right in Georgetown. Round Rock and Cedar Park also have reasonably priced motels. I recommend booking your room early. The early Saturday night schedule may allow you to return home that night, saving one night's lodging.

For RVers, Jim Hogg Park on Lake Georgetown (COE) is very nice and convenient -- just about 3.5 mi from the school. Make reservations online thru recreation.gov.

We're looking forward to seeing you here!!!
